Understanding the IRS Enrolled Agent Exam

What Is the Enrolled Agent Exam?

The IRS Enrolled Agent Exam, often called the Special Enrollment Examination (SEE), is a rigorous test designed to assess a candidate's knowledge of tax laws, regulations, and procedures. Achieving a passing score allows individuals to earn the EA credential, granting them the authority to represent taxpayers before the IRS, including audits, collections, and appeals. The exam is developed by Prometric, a testing service provider, and comprises three separate parts, each focusing on different aspects of tax law and practice: - Part 1: Individuals - Part 2: Business Entities - Part 3: Representation, Practices, and Procedures. Candidates must pass all three parts within a two-year period to become fully licensed.

Exam Structure and Format

Each part of the exam consists of 100 multiple-choice questions, with a time limit of 3.5 hours per section. The questions are designed to test both knowledge and application skills, requiring test-takers to analyze scenarios and select the most appropriate response. The exam questions are scored on a scaled scoring system, with a minimum passing score typically set at 105 out of 130 scaled points per section. The passing criteria and scoring are subject to updates, so candidates should verify current standards before testing.

Key Topics Covered in the Enrolled Agent Exam

Part 1: Individuals

This section focuses on personal tax issues and includes topics such as: - Filing status and exemptions - Income recognition and reporting - Adjustments to income - Deductions and credits - Taxation of various income types, including investments and retirement income - Filing requirements and deadlines - Tax computation and payments

compliance - Business income and expenses - Payroll and employment taxes - Business depreciation and amortization
