Limitations and Areas for Improvement

users. - Focus on Formal Language: The vocabulary section leans towards formal and academic language, which might not fully cater to learners seeking colloquial or slang expressions. - Limited Focus on Spoken Language: Although it improves grammatical accuracy and vocabulary, it does not explicitly focus on pronunciation, intonation, or spoken fluency. - Potential Overwhelm for Self-Study: The depth and breadth of content can be intimidating for some learners without guidance or supplementary instruction. - No Online Companion: Some editions lack an accompanying online platform or mobile app, which are increasingly popular for practicing language skills interactively.
