Overview of the Series and Context of Oathbringer

The Stormlight Archive: An Epic Saga

Brandon Sanderson's *The Stormlight Archive* is a cornerstone of modern fantasy literature, renowned for its expansive world-building, complex magic systems, and deep philosophical underpinnings. The series is planned to span ten books, divided into two five-part arcs. The first two books, *The Way of Kings* and *Words of Radiance*, laid the groundwork for the series' grand narrative, introducing key characters like Kaladin Stormblessed, Dalinar Kholin, and Shallan Davar.

The Position of Oathbringer in the Series

Oathbringer is positioned as the culmination of the first arc, taking place after the events of *Words of Radiance*. It marks a pivotal turning point, both in terms of character development and plot progression. The novel deepens the exploration of the Knights Radiant, the mystical orders sworn to protect Roshar, and reveals more about the ancient history and secrets of the world. It also sets the stage for future conflicts, mysteries, and revelations that will carry forward into the subsequent books.
