Divine health, as taught by Bishop David Oyedepo, is more than just the absence of disease; it signifies a state of total well-being that aligns with God's original plan for mankind. According to biblical teachings, divine health is a covenant right for believers, rooted in God's promises and secured through faith and obedience.

Biblical Foundations

The concept of divine health is deeply embedded in scripture. Key verses include:

1. 3 John 1:2: "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."
2. Isaiah 53:5: "By His stripes, we are healed."
3. Proverbs 4:20-22: "My son, attend to my words; incline thine ear unto my sayings... for they are life unto those that find them, and health to all their flesh."

Bishop Oyedepo emphasizes that divine health is a covenant right, available to all who understand and activate biblical principles.

The Key Principles to Divine Health According to David Oyedepo

1. Faith as the Foundation

At the heart of Oyedepo's teachings is the unwavering belief that faith activates divine health. He advocates that believers must rely on God's promises rather than solely on natural remedies or medical science alone.

1. Faith activates the covenant of health: Believers are encouraged to confess and meditate on scriptures that affirm their health and healing.
2. Confession and declaration: Speaking health over oneself is a vital practice.

1. Obedience to God's Word

Obedience to biblical instructions is crucial in walking in divine health. Oyedepo teaches that spiritual discipline, including consistent prayer, fasting, and aligning one's lifestyle with God's commandments, opens the door to divine health.

1. Avoiding sin and disobedience: Sin can hinder the flow of divine blessings, including health.
2. Living a holy life: A lifestyle of righteousness and obedience attracts God's favor and health.

2. Participation in covenant practices such as partaking in communion (the Lord's Supper), which he

teaches as a means of spiritual and physical healing.

3. Fasting: Used as a spiritual weapon to break every yoke of sickness.

1. The Power of the Word

The Word of God is described as a healing balm. Regular meditation on scriptures related to health builds faith and renews the believer's mind.

While technology has its own environmental impact, distributing knowledge digitally often requires fewer resources than producing and shipping printed materials at scale. This makes digital access a more efficient option for widespread knowledge sharing.

Another subtle but important benefit of digital access is organization. Files can be categorized, backed up, and retrieved instantly. Readers can build structured digital libraries that grow over time without clutter. Compared to managing physical books, digital organization reduces friction and helps learners focus on content rather than logistics.

Digital access also fosters global connectivity. Downloading Key To Divine Health David Oyedepo allows people from different countries, cultures, and backgrounds to engage with the same ideas.
