Federal Holidays as the Foundation Lockheed Martin primarily observes the U.S. federal holiday calendar, which includes: - New Year's Day - Martin Luther King Jr. Day - Presidents' Day - Memorial Day - Juneteenth National Independence Day - Independence Day - Labor Day - Columbus Day - Veterans Day - Thanksgiving Day - Christmas Day These holidays serve as the backbone of the company's holiday schedule, providing consistency and predictability for employees nationwide. Standard Observance and Variations While most Lockheed Martin employees benefit from these federal holidays, certain factors influence the specific days observed: - Operational Necessities: Some facilities, especially those involved in critical defense projects, may require staffing during certain holidays. In such cases, employees might be scheduled to work and compensated accordingly. - Location-Specific Policies: Regional or state-level holidays may also be observed, depending on local laws and cultural considerations. - Shift Work and 24/7 Operations: For manufacturing plants or mission-critical divisions, holiday policies may differ to ensure continuous operations. Paid Time Off (PTO) and Holiday Pay Lockheed Martin generally provides paid time off for recognized holidays. Employees typically receive holiday pay, which may be at their regular rate or at a premium (e.g., time-and-a-half), especially if scheduled to work on a holiday. The specifics can vary based on employment status (full-time, part-time, contract) and collective bargaining agreements where applicable.
