The Origins: Foundations of a Nation

Indigenous Peoples and Pre-Columbian Societies

Long before European explorers set foot on the continent, North America was inhabited by diverse Indigenous nations. These societies boasted rich cultures, complex political structures, and sustainable ways of life spanning thousands of years. From the mound-building cultures of the Mississippi River Valley to the sophisticated civilizations like the Aztec and Maya in Central America, indigenous peoples laid deep roots that would later influence the unfolding story of the nation.

European Contact and Colonial Beginnings

The arrival of European explorers in the late 15th and early 16th centuries introduced new dynamics. Spanish, French, and English explorers navigated the continent, establishing colonies with varying motives—economic gain, religious freedom, or territorial expansion.
