Answer: Slow down and prepare to stop, giving way to pedestrians.

Special Considerations for Different Countries within the EU

Although the EU promotes harmonization, each country may have specific nuances: - Speed limits: Vary slightly; always observe local signs. - Driving on the right or left: Most EU countries drive on the right; the UK, however, drives on the left. - Signage: Shapes and symbols are similar but may have slight differences. - Alcohol limits: Vary from country to country; always know local legal limits. Understanding these differences is vital for international drivers to avoid inadvertent violations.
