Origins and Development

Historical Context and Creation

The late 1950s in Spain was a period marked by political conservatism and social upheaval. Amid this environment, Francisco Ibáñez launched *Mortadelo y Filemón* as a comic strip in the Spanish magazine *Pulgarcito*. Initially conceived as a parody of spy and detective genres, the series quickly distinguished itself through its absurd humor, exaggerated characters, and satirical tone. Ibáñez's background as a comic artist and his knack for humor played a pivotal role in shaping the series. The first stories, characterized by simple plots and slapstick comedy, resonated with readers, leading to the publication of standalone comic albums and serialized stories. Over time, the series expanded, incorporating new characters, recurring themes, and increasingly elaborate plots.

Evolution Over the Decades

Throughout the 1960s and 1970s, *Mortadelo y Filemón* grew in popularity, becoming a staple of Spanish comic culture. Ibáñez continually refined his art style and storytelling techniques, introducing more complex narratives and visual gags. The series also adapted to changing societal contexts, often satirizing political figures, social trends, and cultural phenomena. Evolution of Art

While Ibáñez maintained his core style, he evolved his technique over the decades, incorporating more detailed backgrounds and refined character designs. Despite these changes, the essence of the art remains consistent, preserving the series' comedic impact.
