This contextual approach aids retention and boosts confidence in real-world conversations. 3. Flexibility and Convenience As an audio-based program, learners can practice during commutes, walks, or household chores. This flexibility

3. Slow Progress for Advanced Learners The program is designed primarily for beginners and intermediate learners. Advanced proficiency requires supplementary materials and practice.
4. Cultural and Idiomatic Gaps While practical, the dialogues may lack depth in cultural nuances, idiomatic expressions, and slang, which are vital for full language mastery.
